

# HB-LR1005-120W

- Habey HB-LR1005-120W 12V DC-DC ATX Fanless mini-ITX Power Supply Module - OEM**

Model

Brand	Habey
Model	HB-LR1005-120W
Type	Power Supply Module

## Details

### Specifications

Input Voltage Range : 11.2VDC - 14.8VDC

Input Current Range : 12.0A Max @11.2VDC

Dimensions: 6" x 1.5" x 1.5"

Gross Weight: 1 lb

---

## Features

### Features

Small footprint for space-constrained applications

12V DC input with >85% high efficiency

Low heat dissipation for fanless design

Power standard ATX board with a 12V DC power

20 or 24 pin ATX power configuration

---
