

Water Level Sensor Float Switch P100

Product Description:

Max Contact Rating: 10W

Max Switching Voltage: 100V DC/AC

Max Switching Current: 0.5A

Max Breakdown Voltage: 220V DC/AC

Max Carry Current: 1A

Max Contact Resistance: 100mΩ

Temperature Rating: -20 to +80 °C

Float Ball Material: P.P (Polypropylene. Resisting weak acidity and weak alkalinity)

Float Body Material: P.P (Polypropylene. Resisting weak acidity and weak alkalinity)

Thread Dia(Approx): M10

Thread Length: 15mm

Switch Length <L> (Thread Excluded): 100mm

Cable Length: 40cm
