Product Description: Touch screen laptop windows 7 JX-009D

1.10" Capacitive touch screen Tablet PC
2.Windows 7 OS MID
3.Intel Atom CPU 1.66GHz
4.WIFI,CAMERA,Multitouch
5.3G, Bluetooth
10" inch capacitive touch screen with wifi, Camera multitouch MID/Tablet PC/mini laptop Windows 7 OS

Specifications:
MODLE:JX-009D   Touch panel laptopOperating system:Windows 7 Body:Metal coverCPU:Intel ATOM Processor N455(1.66GHz)ChipsetIntel NM10 Express chipsetMemory:DDR3 667 MHz   one DDR3 SO-DIMM slot Support up to 2GBDisk Capacity:Support SATA port SSD 8G/16G/32G card and Mini-PCIe SSD cardCameraBuild-in Web Camera on Front panelScreen size:10.1" LED Multi-touch panel 1024X576 pixelGraphicsGraphic Controller: UMA of Integrated Graphics 200MHz/DirectX9Graphic Memory: Shared system memoryEthernet LAN10/100Mbps Fast Ethernet SupportWireless Connection54 Mbps 802.11b/gI/O connector1*Micro SD card reader 1 micophone jack1 headset jack2 stereo Speakers2* USB2.01* HDMI Standard port1DC-IN powerMini-PCie: (3G/3.5G support)1 Full size Mini PCI-E V1.2 slot, Support 3G/3.5GOne 3G antenna support GSM/TD-SCDMA/WCDMA/CDMA2000VGA & RJ45One combo HDMI Connector for VGA and RJ45 adaptor port ,support cable detect function to save powerG-sensorG sensor for orientation detect and screen rotationLight sensorAmbient light sensor for auto adjust LCD backlightBattery:Internal 3Cell Polymer Battery PackPowerInput: 110~ 240V AC   DC 12-20V 40W weight:0.9kgsize:L267xW173xH min8-max17(mm)Operating system Windows 7Performance is higher, more compatibility , appearance is more personality, touch support more perfect

Product specifications
MODLE: JX-009D Touch panel laptop
Operating system: Windows 7
Body: Metal cover
CPU: Intel ATOM Processor N455(1.66GHz) and N475(1.83GHz)
Chipset Intel NM10 Express chipset
Memory: DDR3 667 MHz one DDR3 SO-DIMM slot Support up to 2GB
Disk Capacity: Support SATA port SSD 8G/16G/32G card and Mini-PCIe SSD card
Camera Build-in Web Camera on Front panel
Screen size: 10.1" LED Multi-touch panel 1024X576 pixel
Graphics Graphic Controller: UMA of Integrated Graphics 200MHz/DirectX9
Graphic Memory: Shared system memory
Ethernet LAN 10/100Mbps Fast Ethernet Support
Wireless Connection 54 Mbps 802.11b/g
I/O connector 1*Micro SD card reader
1* all in one Audio connector (Input/output)
1 microphone jack
1 headset jack
2 stereo Speakers
2* USB2.0
1* Mini-USB port
1DC-IN power
Mini-PC ie: (3G/3.5G support) 1 Full size Mini PCI-E V1.2 slot, Support 3G/3.5G
One 3G antenna support GSM/TD-SCDMA/WCDMA/CDMA2000
VGA & RJ45 One combo HDMI Connector for VGA and RJ45 adaptor port ,support cable detect function
to save power
G-sensor G sensor for orientation detect and screen rotation
Light sensor Ambient light sensor for auto adjust LCD backlight
Battery: Internal 3Cell Polymer Battery Pack
Power Input: 110~ 240V AC DC 12-20V 40W
Weight: 0.9kg
Size: L267xW173xH min8-max17 (mm)
Operating system Windows 7 Performance is higher, more compatibility, appearance is more personality,
touch support more perfect
