Welcome to the National Instruments Math and Education CD, thank you for taking the time
to evaluate our products. Double click Math_Ed.exe to access the installation interface.
Minimum Requirements for running installations are Windows 95 or NT, '486 (Pentium(R) Processor
recommended), 8MB RAM, 640 x480 display, 256 colors and double speed CD-ROM drive.
Analysis Advisor doesn't install, it runs off the CD.
